

The background image shows two Navy personnel in yellow flight suits and helmets on an aircraft carrier deck. One person is standing and looking towards the right, while the other is crouching and pointing towards the right. In the background, an F/A-18 Hornet is visible, with the number 55 on its nose and the name 'Capt. JT Beale' and 'Beaks' on the cockpit. The aircraft is on a runway or deck with yellow markings. The sky is clear and blue.

**How much do mishaps cost the  
Navy and Marine Corps in a year?**  
An entire aviation squadron.

**In an average year, 207 Sailors and Marines died in mishaps.**
